
Proposal

The “Award of Excellence” is an attempt to foster the sharing of successful ideas and programs among schools within the state. The Nebraska Association of Elementary School Principals will award a certificate to each school willing to submit a brief description of a successful program in place at their school. The main thrust of this program is to promote excellence in all our schools.

Special Requirements

Nominated schools must employ a principal who is a current member of NAESP. Membership in the Region, State, and National Associations is required.

Nominations

Any principal, teacher, or superintendent may nominate a school for this recognition. Nominations must be in writing, but should be brief. Self nominations by principals are encouraged. Nominations must be typed and submitted to the local Region President of NAESP prior to October 16.

The NAESP Board of Directors will award these certificates to schools after its December meeting.

Region Presidents

- Region I**
Amber Dolliver
Westfall Elementary School
